## BRAND DESIGN SUBMITTALS? WE'VE GOT YOUR BACK

We believe in offering integrated solutions that go beyond furnishing products. We act as a partner that not only offers cost-effective products but also helps you get brand approvals for the same. We help you with technical specifications, drawings, datasheets, mock-ups and whatever collaterals required to as per the brand guidelines to get approvals. We coordinate with the brand's design team to save you the hassle and complete the submittal process without your involvement.

## BRANCHING OUT

---

Hospitality Essentials began as a single company, but as hotel, apartment complex and commercial property owners began to take notice of our unique ability to combine high-quality designs with tailored customer support, we began to grow at record speed.

Thanks to the rising demand from our expanding community of customers over the years, we decided the time had come to make it easier for customers to find exactly what they're looking for. It's why you'll find all the furniture and interior design inspiration you need at Modern Hotel Decor and beautiful LED mirrors at sister Brand Vicinta Mirrors.
